EMPLOYMENT **Statistical Consultant**, Santa Cruz, CA (2009-)

- Statistical consultant for companies and research labs in several universities in the USA and Internationally. Utilize various statistical software programs (e.g. R, SQL, SAS) and statistical methods (e.g., meta-analysis, mixed effects models)

Health Services Program Analyst/Co-Investigator, Palo Alto, CA (2013-2017)

Office of Mental Health Operations, U.S. Department of Veterans Affairs

- Involved in (and took lead on) multiple program evaluation/research projects and quality improvement studies examining areas of mental health/substance abuse, and healthcare utilization. Roles included generating and managing large relational databases derived from electronic health record data warehouses, and analyzing and interpreting (often big) data using various basic and advanced statistics. Contributed to all phases of study life-cycle including grant-writing, preparing IRB protocols, data analysis, and reporting of findings in multiple formats (co-authoring white papers and published reports in peer-reviewed journals). Designed, developed and implemented quality metrics, decision support tools, reports and dashboards utilized by VA providers and administrators nation-wide.
- Supervisors: Jodie Trafton, PhD & Alex Harris, PhD

EDUCATION **Health Services Research Postdoctoral Fellow**, Palo Alto, CA (2011 - 2013)

Center for Health Care Evaluation, Department of Veterans Affairs & School of Medicine, Stanford University

- Mentors: Alex Harris, PhD & John Finney, PhD

University of Wisconsin-Madison, Madison, WI

PhD, Counseling Psychology, August 2011

- Dissertation topic: *Mindfulness Practice Quality: An important consideration in mindfulness intervention outcome.*
- Advisor: Bruce E. Wampold, PhD

University of New Mexico, Albuquerque, NM

MA, Counselor Education, December 2004

- Advisor: Markus P. Bidell, PhD
- Area of Study: Community/Agency Counseling

BA, University Studies, June 2002
